

VOSS Exotech Automotive Pvt. Ltd. awarded by KNORR-BREMSE with the “Best Quality Performance Award”

At Supplier Conference 2018 on May 15, KNORR-BREMSE India awarded VOSS Exotech Automotive as a company with the best performance in the field of quality.

With this award, the world's leading manufacturer of braking systems for rail and commercial vehicles honors the VOSS team for many years of continued support and outstanding results in product quality, delivery, response and cost.

This award is an evidence for the commitment of VOSS to quality. It will make VOSS to continue every effort to further enhance the continuous pursuit for quality excellence and to extend the long-term partnership with KNORR-BREMSE.
